

Chieri and Don Bosco: the testimony of the Saint

A day tour to retrace the life, the places and the testimonies of the most famous "Social Saint": GIOVANNI BOSCO.

The proposal provides for: meeting with the guide who will accompany the group for the whole day, short visit of the historical center of Chieri with particular attention to the years spent by the Saint in the town. Visit of the Visitor Center Don Bosco, place of documentation on the figure of the Saint who lived in Chieri during his years of training when he was young. Departure for Castelnuovo Don Bosco to visit the birthplace of Giuseppe Cafasso, Don Bosco's spiritual and beloved father. Lunch in a typical restaurant and afternoon dedicated to the visit of the hill of the Sanctuary and the birthplace of St. Giovanni Bosco.

Visiting these places means rediscovering the origins of the extraordinary personality of the Saint and his work spread all over the world.

Possibility for groups to organize private celebrations.
